

**Walchand College of Engineering, Sangli, Department of
Computer Science and Engineering**

Practical No. 7
Express.js Route Handlers

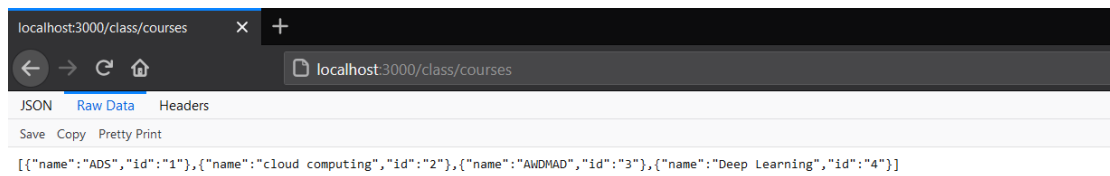

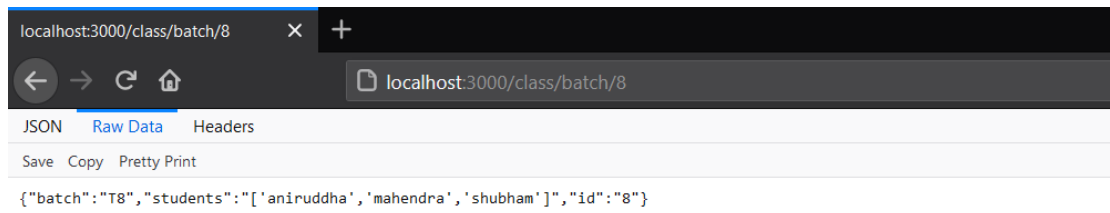

Exam Seat No: 2018BTECS00044

Name : Aniruddha Sanjay Palekar

Problem Statement 1:

1. Write an Express app that uses the multiple call-back functions to handle a request.
2. Use different routes to show the use of call-back functions.
3. Use at least two call-back functions.
4. Use array of functions as an argument.

```
[[{"batch": "T1", "students": [{"name": "Aniruddha", "id": "8", "srm": "1"}, {"name": "Aad", "id": "1", "srm": "1"}, {"name": "Cloud Computing", "id": "2", "srm": "1"}]}, {"batch": "T2", "students": [{"name": "Aniruddha", "id": "8", "srm": "1"}, {"name": "Aad", "id": "1", "srm": "1"}, {"name": "Cloud Computing", "id": "2", "srm": "1"}]}, {"batch": "T3", "students": [{"name": "Aniruddha", "id": "8", "srm": "1"}, {"name": "Aad", "id": "1", "srm": "1"}, {"name": "Cloud Computing", "id": "2", "srm": "1"}]}]]
```
